Painting your knits

Adding color to a finished knit can be easy if you use the right supplies and tools.

The Painted pin box has strategically placed blocks of color created with Tsukineko All-Purpose Inks and small brushes.

We use masking tape as the stencil. Because the areas to be painted are already outlined by the dark navy stitches, we just need a mask, to help keep our work neat. Follow the 5 step process for quick and beautiful results.

When painting with the inks, place plastic over the majority of the fabric revealing only the area to be painted, and use caution with heat and steam. A few brief passes of heat are better than one long blast. Remember: Knitting shouldn't be pressed.

The materials

Tsukineko All-Purpose Craft Ink, 1 bottle each #11 Lemon Yellow, #74 Poppy Red, and #78-Bittermelon
www.teachestamp.com

Fine tip artist brushes, foam brushes, or eye make-up brushes

Plastic-covered blocking surface

Blocking pins or T pins

Applying ink is easy. Use a small, foam-tipped brush.

PAINTING THE PIN BOX!

The process

5 EASY STEPS

- 1 Place stencil
 - 2 Paint
 - 3 Let ink dry
 - 4 Remove stencil
 - 5 Set colors with steam, in a dryer, or the heat of an iron
- You can repeat Steps 2 and 3 for more coverage, and to deepen the colors.

Paint yellow center

Place masking tape around the center white section to be painted. Work Steps 1-5 with Lemon Yellow ink.

Paint blue round

Place masking tape over yellow center around white section to be painted. Work Steps 1-5 with Ultramarine ink.

Paint red frame

Place masking tape over yellow and blue in center, and around white section to be painted. Work Steps 1-5 with Poppy Red ink.

Mosaic knitting is just stripes and slipped stitches, and is most effective in two contrasting colors. Here we choose Barbara Walker's Pin Box pattern, worked in navy and white.

Mosaic knits can be worked in stockinette or garter, and we choose to do both for another version of Barbara Walker's Pin Box. The white background is patterned with flannel gray, with the stitch variations adding visual depth.

Once the knitting is complete, we prep up the shell with even more color by painting select motifs.

At end of RS rows SSK, k1.

Back

With larger needles and A, cast on 99 (111, 123, 135, 147, 159, 171). Knit 1 row. Starting with Row 3, work Mosaic chart until piece measures 14 (15½, 15½, 15, 14½, 16½, 16½), end with a WS row.

Shape armholes

When shaping in pattern, if a slip stitch falls at the edge, work the stitch in stockinette stitch instead.

At beginning of next 2 rows, bind off B (10, 12, 14, 16, 18, 20). Dec 1 each side every RS row 3 (4, 5, 6, 7, 8, 9) times, then every 4 rows twice—73 (79, 85, 91, 97, 103, 109) stitches. Work even until 4 (4, 4½, 4½, 4½, 5, 5) repeats of chart are complete, end with Row 20 or 40. Mark center 35 (35, 35, 42, 47, 47, 59) stitches.

Shape neck

Next row (RS) Work to first marker, join a second ball of yarn and bind off marked center stitches, work to end. Working both sides at the same time with separate balls of yarn, bind off 1 at each neck edge once—18 (21, 24, 21, 24, 27, 24) stitches each side. Work even until armhole measures 7 (7½, 8, 8½, 9, 9½, 10½). Bind off.

Mosaics

Mosaics the easy way

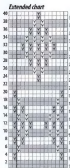

Mosaic stitch patterns can be worked from abbreviated charts the Mosaic chart or the Simplified chart. After a few rows, you will only need to refer to the chart for the RS rows and then follow your knitting for the WS rows.

1 Each abbreviated chart row represents 2 rows of knitting.

2 Work each row with the color of the first square of the chart row. Work Row 3 (RS) with B as follows: reading the chart from right to left, knit the B stitches (the unshaded squares) and slip the A stitches (the shaded squares) with the yarn in back (at WS of work).

3 Work Row 4 (WS), reading the chart from left to right, purl the B stitches and slip the A stitches with the yarn in front (at WS of work).

4 Notice that you work the RS and the WS rows with the same color, working the same stitches and slipping the same stitches for both rows.

This chart shows all rows and all slip stitches.

Chart Notes

Although this is a 2-color pattern, only 1 yarn is used for each row; change color at the beginning of every RS row.

The color of the first square of the chart row is the color of the yarn used for that row: Work Rows 3 and 4 with B, slipping A stitches; work Rows 5 and 6 with A, slipping B stitches, etc.

It can be so easy: Follow the chart for RS rows, for WS rows, simply purl the stitches in the working color and slip the stitches in the non-working color (as shown on the Extended chart).

When you understand how Mosaic charts work, you'll see how easy it is to work from the Simplified chart.

This chart combines RS and WS rows in one chart row and shows slip stitches.

This chart combines RS and WS rows within one chart row and eliminates the slip-stitch 1's. Here, color indicates which stitches to work (the color of the first square) and which to slip (the opposite color).

DOUBLE LOOP CAST-ON

1 If leaving a tail of about 12" for each stitch to be cast on, fold yarn and make a double ballfish on needle (as shown). These 2 loops count as 1 stitch and will be worked together on next row.

2 Holding tail and working yarn together and using loop cast on, continue to cast on required number of stitches.

LONG-TAIL LOOP CAST-ON

1 Hold needle in left hand and tail of yarn in right hand (allowing about 1" for each stitch to be cast on).

2 Bring right index finger under yarn, pointing toward you.

3 Turn index finger to point away from you.

4 Insert tip of needle under yarn on index finger (see above), remove finger and draw yarn snug, forming a stitch.

Repeat Steps 2-4. After every few stitches, allow the yarn to hang freely to restore its original twist.

Loops can be formed over index or thumb.

LOOP CAST-ON

Used to cast on stitches with the working yarn. Works as for long tail loop cast on (K1B/P1B) do not use tail of yarn.

3-NEEDLE YO BIND-OFF

1 With stitches on 2 needles, place **working** sides together. Knit 2 stitches together (1 from front needle and 1 from back needle).

2 Turn over, pass yarn over right needle over yarn over left needle.

3 Knit next 2 stitches together, pass yarn over over K1B/P1B and off needle.

4 Repeat Steps 2 and 3, end by drawing yarn through last stitch.

Star treatment

These modest knit socks begin with hexagons.

1 Make 13
Hexagons.

Hexagons

Stitches are divided over 3 needles. Place markers between 2 center stitches of each needle when knitting your first hexagon. After that, you'll understand the pattern well enough to cast the hexagon without the markers.

7 (8, 9, 10) st size

Cast on 42 (48, 54, 60) — 14 (16, 18, 20) stitches per needle. Join for knitting in the round and knit with fourth needle. Weave in tail on Round 2.

Round 1 Purl, placing markers between center 2 stitches on each needle (4 markers total).

Round 2 [K2tog, knit to 2 stitches before marker, SSK, slip marker, K2tog, knit to last 2 stitches on needle, SSK] 3 times — 10 (12, 14, 16) stitches per needle. **Rounds 3–4** Knit. **Round 5** Purl. **Round 6** Repeat Round 2 — 6 (8, 10, 12) stitches per needle.

Complete as follows:

7-ST HEX Knit 1 round. **End Round** [K2tog, k1] 6 times — 2 stitches per needle.

8-ST HEX Knit 2 rounds. **End Round** [K2tog, SSK] 6 times — 2 stitches per needle.

9-ST HEX Purl 1 round. Knit 2 rounds. Repeat Round 2 — 6 stitches per needle. Knit 1 round. **End Round** [K2tog, k1] 6 times — 2 stitches per needle.

10-ST HEX Purl 1 round. Knit 2 rounds. Repeat Round 2 — 8 stitches per needle. Knit 2 rounds. **End Round** [K2tog, SSK] 6 times — 2 stitches per needle.

Break yarn and thread through remaining stitches.

Twice, removing markers. Cinch and weave in (don't knot).

Heel

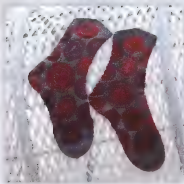

Choose 1 hexagon to be H1. Cast on for 4 sides of H2 (C, D, E, F) and arrange over 2 needles. Pick up stitches from sides B and D of H1 on third needle. Join to work in the round and work H2.

2 Work Heel.

After you work the Heel, you may wish to place a piece of tape on each hexagon, numbering the remaining units 5–14 and the sides A–F. Or in removable markers labeled with the numbers on the A sides, as shown in the photos on page 34.

Triangle Rings

Triangles are worked in rings of 6 or 8. Each Triangle is worked back and forth in short rows between 2 sides of stitches picked up from hexagon or cation. Opposite place markers between center 2 stitches on each needle to define the boundaries of each triangle unit.

8 (10)-ST TRIANGLE

With B, pick up or cast on 16, 20 stitches per triangle—32 (40) stitches per needle, join to work in round.

Row 1: 1 st (k1) k2tog, ss4, turn. **Row 2:** 1 st, p1, turn. **Row 3:** 5 st (k2, turn. **Row 4:** 5 st, p4, turn. **Row 5:** 1 k2tog, k4, turn. **Row 6:** 5 st, p2tog, p5, turn. **Row 7:** 1 k2tog, k5, turn.

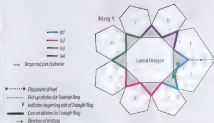

8-ST TRIANGLE: **Row 8:** 1 st, p2tog, p7, catching float behind last stitch; turn. **Row 9:** 1 st, k2tog, k5, k2tog—8 stitches.

10-ST TRIANGLE: **Row 8:** 1 st, p2tog, p7, turn. **Row 9:** 1 st, k2tog, k4, turn. **Row 10:** 1 st, p2tog, p5, catching float behind last stitch; turn. **Row 11:** 1 st, k2tog, k2, k2tog—10 stitches. Repeat Rows 1–9 (11) until all triangles are completed. Cut B. Do not bind off.

Work begins with the Right Sleeve and moves across the yoke to end of Left Sleeve. Stitches are picked up at the bottom of the yoke and worked down for the body.

Wind yarn for each cord into a separate ball or butterfly and let it hang at the back of the work.

MC is striped across the WS of the cords, but the cords are worked in intarsia. Bring new color under old as color change to twist yarns and prevent holes. Pull MC firmly across the back of each cord to tie the cord into an edge.

While working in the round pull CC across WS of cords into working position.

Working with 4 double-pointed needles (dpns)

Instructions recommend working with a set of 4 dpns, using 10 stitches on 4 needles, as it is easier to knit.

One circular needle — the magic loop

The technique of using one circular needle to knit a small diameter tube is called the magic loop. It is a technique that is used to knit a small diameter tube.

1 Divide cast on evenly in four and pull out a loop of cable between the center of stitches on each side.

2 Slide the first group of stitches to the other end of the needle.

3 Slide the second group of stitches to the other end of the needle.

4 Slide the third group of stitches to the other end of the needle.

Two circular needles

When working with two circular needles, you must use the same needle for all stitches. This is a technique that is used to knit a small diameter tube. It is a technique that is used to knit a small diameter tube.

1 Divide the cast on into two equal parts and pull out a loop of cable between the center of stitches on each side.

2 Slide the first group of stitches to the other end of the needle.

3 Slide the second group of stitches to the other end of the needle.

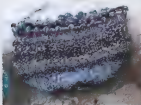

4 Slide the third group of stitches to the other end of the needle.

5 Slide the fourth group of stitches to the other end of the needle.

Learning to read knitting charts is a really valuable skill. Charts make it much easier to follow the pattern, check your knitting, and correct any problems. And circular knitting is the easiest way to get started: you read each row of the chart as you knit—from right to left. Give it a try.

PURL

1 With yarn in front of work, insert right needle into stitch from back to front.

2 Bring yarn over right needle from front to back.

3 Bring yarn through stitch with right needle. Pull stitch off left needle. Repeat Steps 1-3.

KNIT

1 With yarn in back of work, insert right needle into stitch on left needle from front to back.

2 Bring yarn between needles and over right needle.

3 Bring yarn through stitch with right needle. Pull stitch off left needle.

working from charts

Charts are graphs or grids of squares that represent the right side of knitted fabric. They illustrate every stitch and the relationship between the rows of stitches. Squares contain knitting symbols. The key defines each symbol as an open or closed square, a stitch or a stitch.

The pattern provides any special instructions for working the chart or the key. The numbers along the sides of the chart indicate the rows and the stitches. A number on the right side means a right-side row that is worked leftward from the number. A number on the left side means a wrong-side row that is worked rightward. Some charts are worked alternately on wrong

side rows, the way will indicate that. If the pattern is worked circularly, all rows are right-side rows and worked from right to left.

Bind lines mean the chart represents a set of a group of stitches that are repeated across a row. You begin at the edge of a row or where the pattern indicates for the required side work across

to the second line, repeat the stitches between the brackets as many times as directed then finish the row.

The size of a garment are often labeled with beginning and ending marks on the chart. This avoids having to chart each size separately.

KNIT THROUGH BACK LOOP

(k1 tbl)

1 With right needle behind left needle and right side of stitch, insert needle in next stitch.

2 and on.

PURL THROUGH BACK LOOP

(p1 tbl)

1 With left needle behind right needle, insert right needle into stitch from left to right.

2 and purl.

CROCHET CAST-ON

1 Leaving a short tail, make a slipknot on crochet hook. Hold hook in right hand in left hand. Hold knitting needle on top of yarn and behind hook. With hook to left of yarn, bring yarn through loop on hook; yarn goes over top of needle, forming a stitch.

P2TOG

1 Insert right needle into first 2 stitches on left needle.

2 Pull these 2 stitches together as 1 stitch and . The result is a slight decrease.

CABLE CAST-ON

A cast-on that is useful when adding stitches within the work.

1-2 Work as for Steps 1 and 2 of Invisible Cast-on in Beguine's Basics.

3 Insert left needle in loop and slip loop off right needle. One additional stitch cast on.

4 Insert right needle between the last 2 stitches. From this position, knit a stitch and slip it to the left needle as in Step 3. Repeat Step 4 for each additional stitch.

PICK UP AND PURL (PUP)

With wrong side facing and yarn in front, insert needle in from back to front in center of edge stitch. Catch yarn and purl.

LONG-TAIL CAST-ON

Make a slipknot for the initial stitch at a distance from the end of the yarn allowing about 10" for each stitch to be cast on. Bring yarn between fingers of left hand and wrap around little finger clockwise.

2 Bring left thumb and index finger between strands, emerging so left is on thumb side, left strand on finger side. Cross thumb and finger so strands form an X.

3 Bring needle down, forming a loop around thumb.

4 Bring needle under front strand of thumb loop.

5 and bringing it under the front of thumb loop.

6 Slip over index finger yarn, catching it.

7 Slip thumb out of its loop and use thumb to adjust tension on the new stitch. One stitch cast on.

K2TOG TEL

1 Insert right needle through the back loops of first 2 stitches on left needle.

2 Knit these 2 stitches together as if they were 1. The result is a twisted leftward single decrease.

KNIT INTO FRONT AND BACK (kfbfb)

1 Knit two from front of needle on left needle, but do not pull the stitch of needle.
2 Take right needle to back, then knit through the back of the same stitch.

3 Pull back off left needle. Completed increase: 2 stitches from 1 stitch. This increase results in a purl bump after the first stitch.

P INTO FRONT AND BACK (pfbfb)

1 Purl two from front of needle, but do not pull stitch off needle.
2 Take right needle to back, then through back of same stitch, from left to right.

3 and purl.

4 Pull stitch off left needle. Completed increase: 2 stitches from 1 stitch. This increase results in a purl bump before the stitch on the right side.

SHORT ROWS (W&T)

Each short row adds two rows of knitting across a section of the work. Since the work is turned before completing a row, stitches must be wrapped at the turn to prevent holes. On stockinette stitch, work a wrap as follows:

Knit side

1 After yarn in back, slip next stitch as if to purl. Bring yarn to front of work and slip stitch back to left needle as shown. Turn work.
2 As if you are on front side, purl next stitch as if to purl. Work to end.

3 After you come to the wrap on a following knit row, slide the wrap by knitting it together with the stitch it wraps.

Purl side

1 With yarn in front, slip next stitch as if to purl. Bring yarn to back of work and slip stitch back to left needle as shown. Turn work.
2 As if you are on back side, purl next stitch as if to purl. Work to end.

3 When you come to the wrap on a following purl row, slide the wrap by pulling it together with the stitch it wraps.

K2TOG (K2TOG)

A right-slanting single (double) decrease

1 Insert right needle into first 2 stitches on left needle beginning against second stitch as shown and pull out of left needle.

For a left-slanting increase (M1) insert left needle from front to back under strand between last stitch knitted and first stitch on left needle. Knit, twisting strand by working into loop at back of needle.

2 Knit these 2 stitches together as if they were 1.

The result is a right-slanting decrease.

MAKE 1 (M1)
